

Resume Of:	<p>Ryan Nicholas Manthei</p> <p>5 Moss Springs Court, Henderson, Nevada 89052</p> <p>Cell Phone: (702) 373-1157</p> <p>Email: manthei91@gmail.com</p>
Career Objective:	<p>Ambitious aspiring architect seeking full-time employment while studying for the ARE. Curious about everything including learning more about building with craft, sustainability, and for people. I believe that designers must respect people, nature, and the relationship between the two. Architecture can and should do more for the people and places it serves, I'm willing to put in the hard work to make it happen.</p>
Work Experience:	
2019—2021	<p>Graduate Assistant at University of Nevada, Las Vegas</p> <p>Description: As a Graduate Assistant for the Design+Build Studio, I was responsible for ensuring that students were learning but also using power tools safely. My position allowed me to manage a student team designing and then building a house for an international competition. During the pandemic, the professor was working remotely while we were already building the house. Phone and email communication was used to make sure details were constructed per the drawings.</p>
2017, 18, & 19 Summers	<p>Intern at KGA Architecture, Las Vegas, Nevada</p> <p>Description: Assist in the design process of commercial buildings. My duties including drawing floor plans, site plans, building and site sections. In addition, I was sometimes involved in concept development, producing renderings, developing marketing materials, and county commissioner meetings.</p>
2015	<p>Clark County Water Reclamation District, Las Vegas, Nevada</p> <p>Description: Assist office staff with daily activities such as sorting incoming payments for annual sewer bill and updating customer accounts to reflect current ownership and correct address.</p>
Degrees:	
2019—2021	<p>Master of Architecture, Concentration: Building Systems & Sustainability</p> <p>University of Nevada, Las Vegas</p>
2015—2019	<p>Bachelor of Science in Architecture</p> <p>University of Nevada, Las Vegas</p>
Awards:	
2021	<p>2021 Henry Adams Medal</p>
2021	<p>3rd Place Overall, US Department of Energy Build Challenge 2020, Student Team Lead for Team Las Vegas</p>
Software:	<p>Adobe Creative Suite, AutoCAD, Grasshopper, Revit, Rhino, Oneclick LCA, & more</p>
